### Looking for Female Mining Engineers?

As female mining engineer graduates decline in Canada, the Artemisa Project offers a timely solution. Join Panelists from Artemis Project, RIM Chile, Krissilas Group and Language Advantage for a lively discussion about PHASE 2 of our world renowned Immigration and Readiness Talent Program for Canadian Mining Companies!

#### Join us as we share Best Practices from the following perspectives:

- 1) First Hires - How to Thrive, Coming to Canada, from Chile
- 2) Creators - Who is behind the program and why
- 3) Operational Leaders - What is super cool about PHASE 2
- 4) Next Steps - 2023 Talent Availability Map
